

Acknowledgment

To the humans

Hi if you're reading this and I hope you're happy with what I wrote, I'm going to guess not all of you will be. But even though she's gone, thank you Grandma for everything. And you too Grandma and Mom and Dad, I definitely acknowledge my sisters even if it took me almost 30 years to change to the light. Thank you to my friends throughout from the beginning to the end all of you did something to get me here as well. You may have kept me out of prison but not out of trouble. You helped keep me just sane enough to make it this far. And to almost all my ex's you may not be looking for time with you again but I do know how much patience you've taught me in relationships through rage and violence. To any teacher who put up with me. To any coworkers who are like oh yeah that guy. And to anyone who has watched the show and seen through fictional editing. Mahal kita ang Philippines at mahal ko , Asawa ko, mabuhay Ako.
